

Associate membership

CBCC vision

'To deliver value to members and companies/individuals seeking support and advice from the Chamber'

CBCC objectives are to

- promote the development of Czech and UK economic relations.
- provide a platform for the Czech and British business communities to network and develop their business and common interests.
- promote awareness of the business, commercial, industrial and professional expertise of its members.
- provide business and professional guidance or support, where applicable, to its members or Czech companies considering doing business in the UK/British companies looking to invest in the Czech Republic.

Who is an associate:

An individual with some interest in the Czech Republic attending related courses at British higher education establishments, therefore effectively a student.

Benefits:

By becoming a CBCC member you will:

- have the opportunity to network at premium events and develop diplomatic, trade and investment contacts.
- participate in keynote speak events and seminars on current topics as well as educational events.
- Associate Membership certificate;
- membership for 365 days no matter when it commences;
- introduction in CBCC e-newsletter;
- access to contact details of other members on a member-only site;
- attend CBCC webinars free of charge;
- Possibility to cooperate with selected regional Chamber of Commerce and their members.

Membership fees:

- annual fee of 20 GBP / 365 days (*0.054 GBP per day*)

For any enquiries related to associate membership, please contact
