

Individual membership

CBCC vision

'To deliver value to members and companies/individuals seeking support and advice from the Chamber'

CBCC objectives are to

- promote the development of Czech and UK economic relations;
- provide a platform for the Czech and British business communities to network and develop their business and common interests;
- promote awareness of the business, commercial, industrial and professional expertise of its members;
- provide business and professional guidance or support, where applicable, to its members or Czech companies considering doing business in the UK/British companies looking to invest in the Czech Republic.

Benefits:

By becoming a CBCC member you will:

- have the opportunity to network at premium events and develop diplomatic, trade and investment contacts;
- participate in keynote speak events and seminars on current topics as well as educational events.

As an individual member, you have the opportunity to:

- attend CBCC events;
- attend CBCC webinars free of charge;
- be interviewed for/featured on the CBCC website;
- be listed on the website as a CBCC member;
- access to contact details of other members on a member-only site;
- Individual Membership certificate;
- membership for 365 days no matter when it commences;
- opportunity to introduce own services at events;
- possibility to cooperate with selected regional Chamber of Commerce and their members;
- opportunity of multi-membership with BCC and selected regional British Chamber of Commerce for special price – per special price list.

Membership fees:

- annual fee of 50 GBP / 365 days (*0.137 GBP per day*)

For any enquiries related to individual membership, please contact anna-marie@cbcc.org.uk
