Dear Peter,

I have received the sad news about the Ambassador, and it comes to us all as a great shock.

As you know only last week we discussed the Ambassador's role in the CBCC and his importance in its creation. He was a man of great ability and his passing away is extremely sad especially for his family as well all those around him.

The Chamber has lost a good friend in the Ambassador and he will be sadly missed by us.

Please accept this letter personally from myself and on behalf of everyone in the Chamber as an expression to the Ambassador's family, his staff and colleagues of our deepest sympathy and condolences on this sad occasion.

With kindest regards.

Yours,

Ladislav Hornan
Chairman
Czech British Chamber of Commerce
